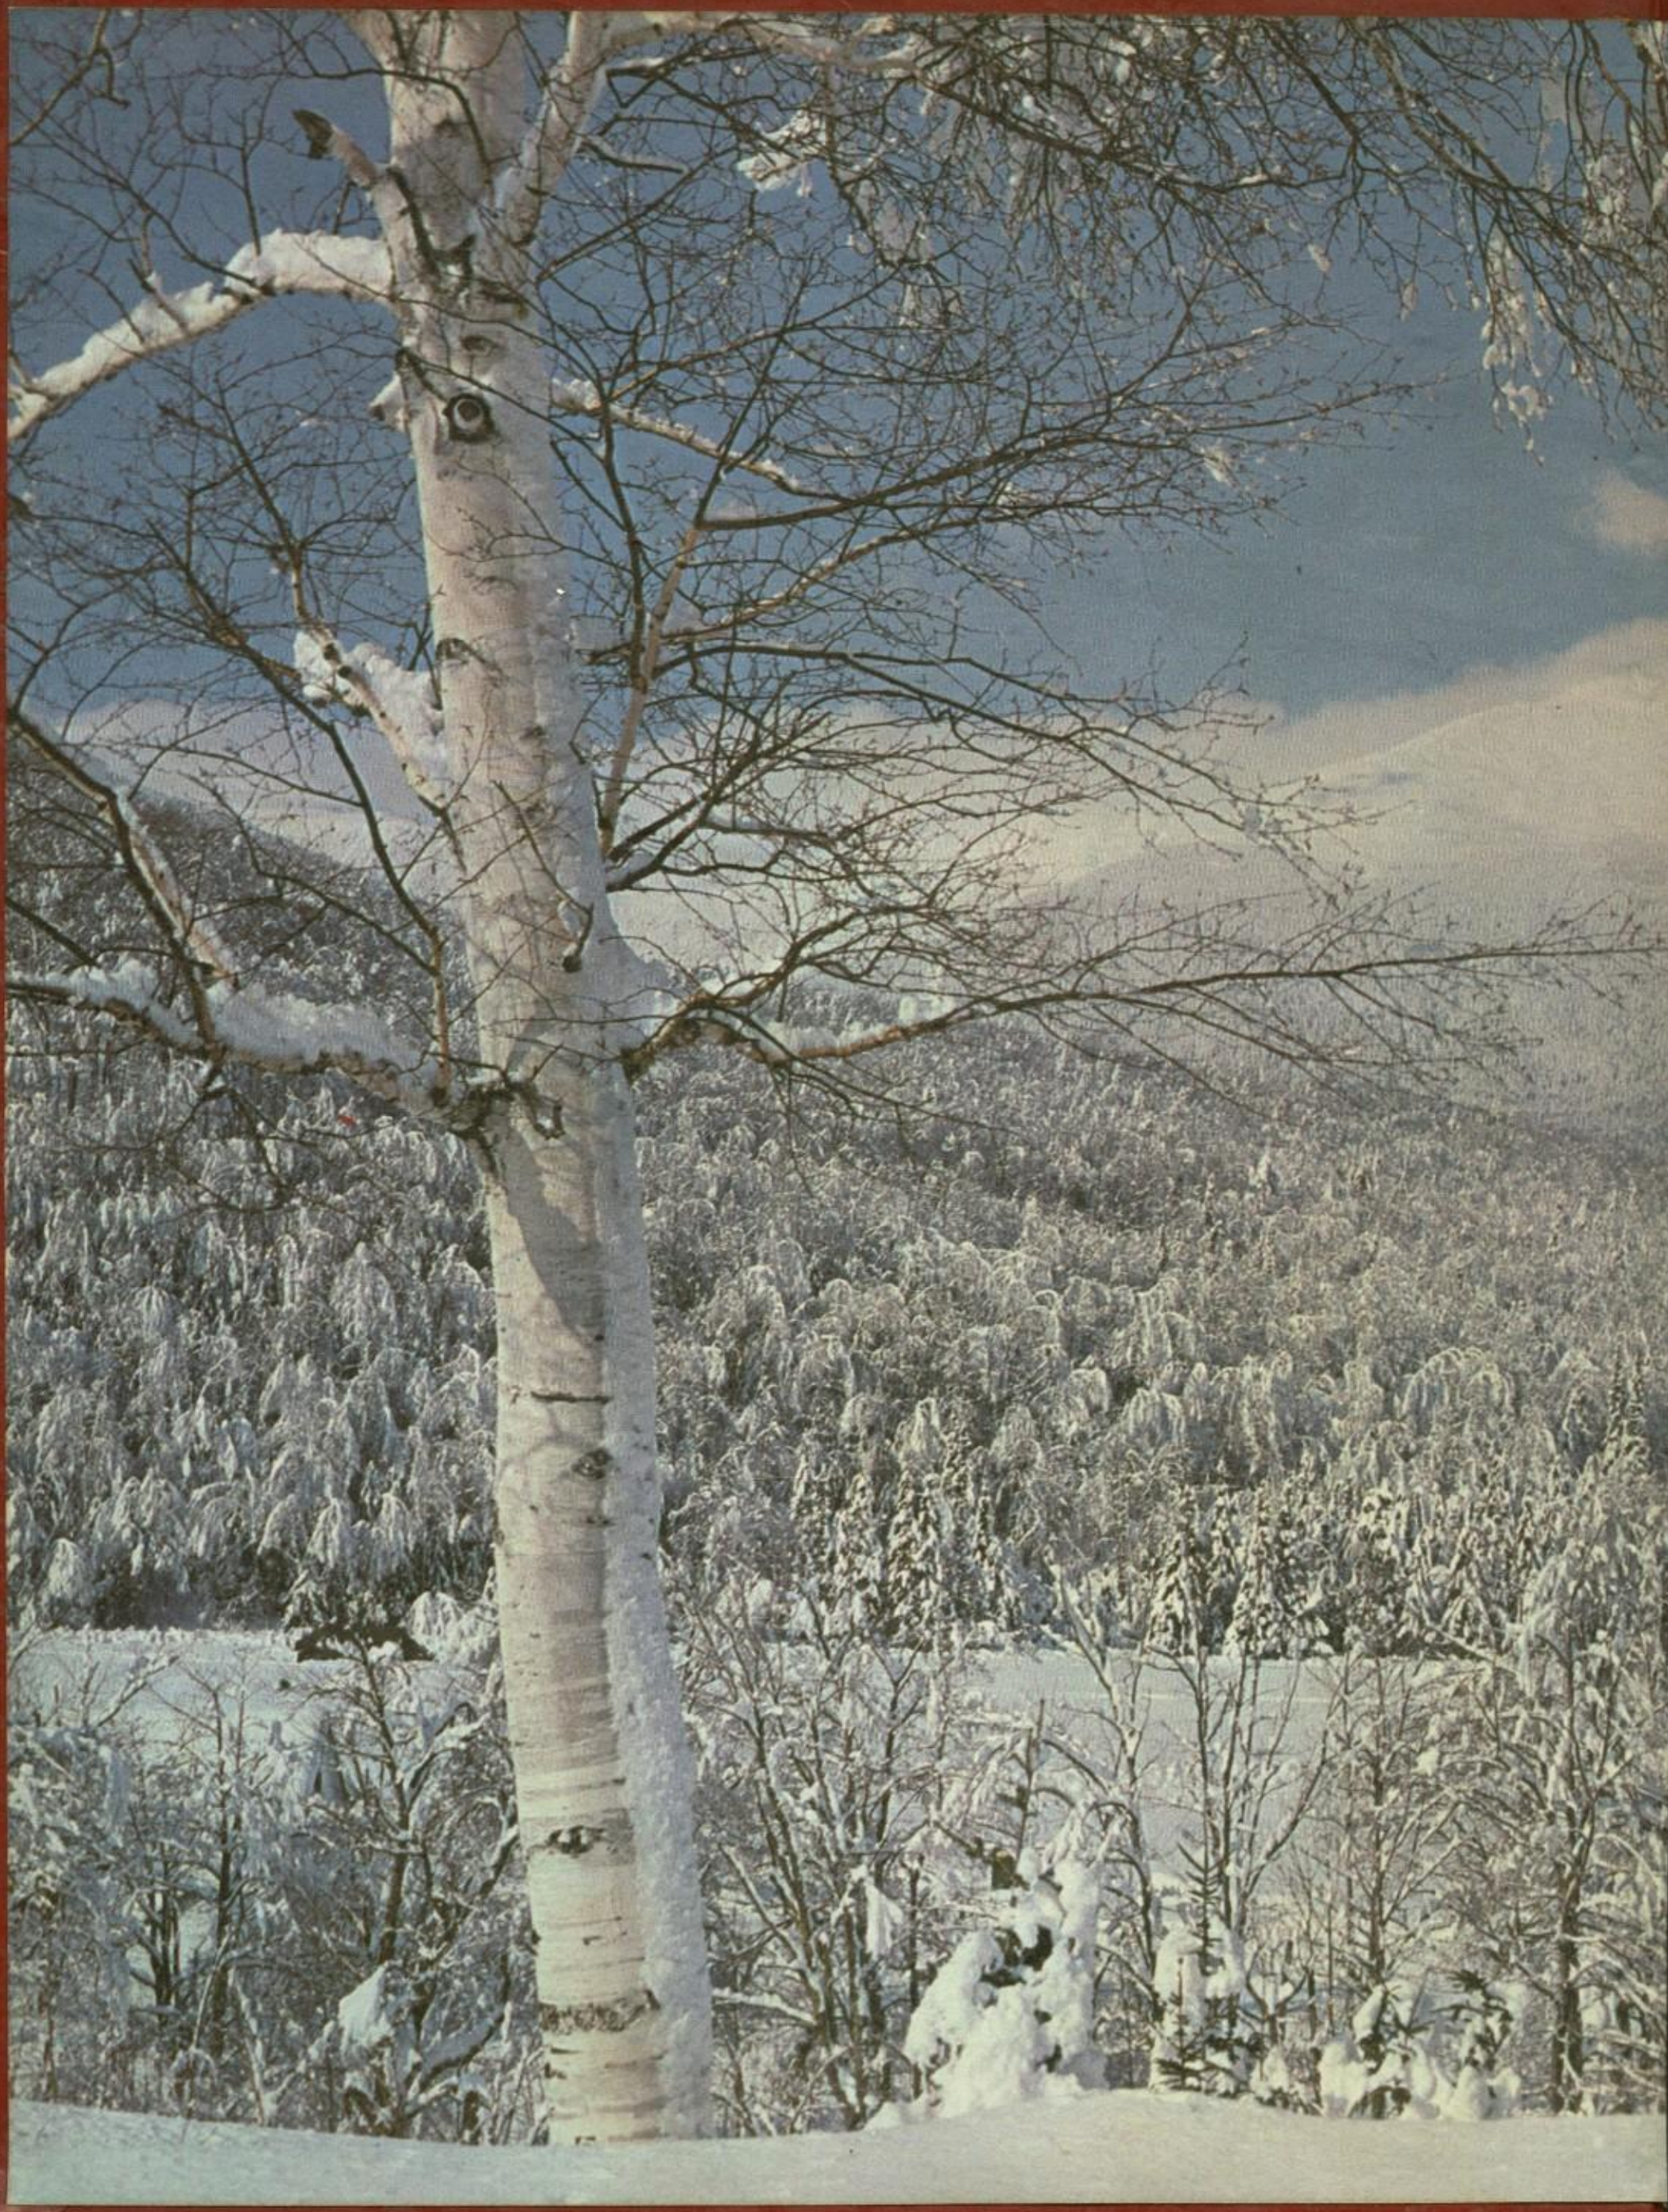
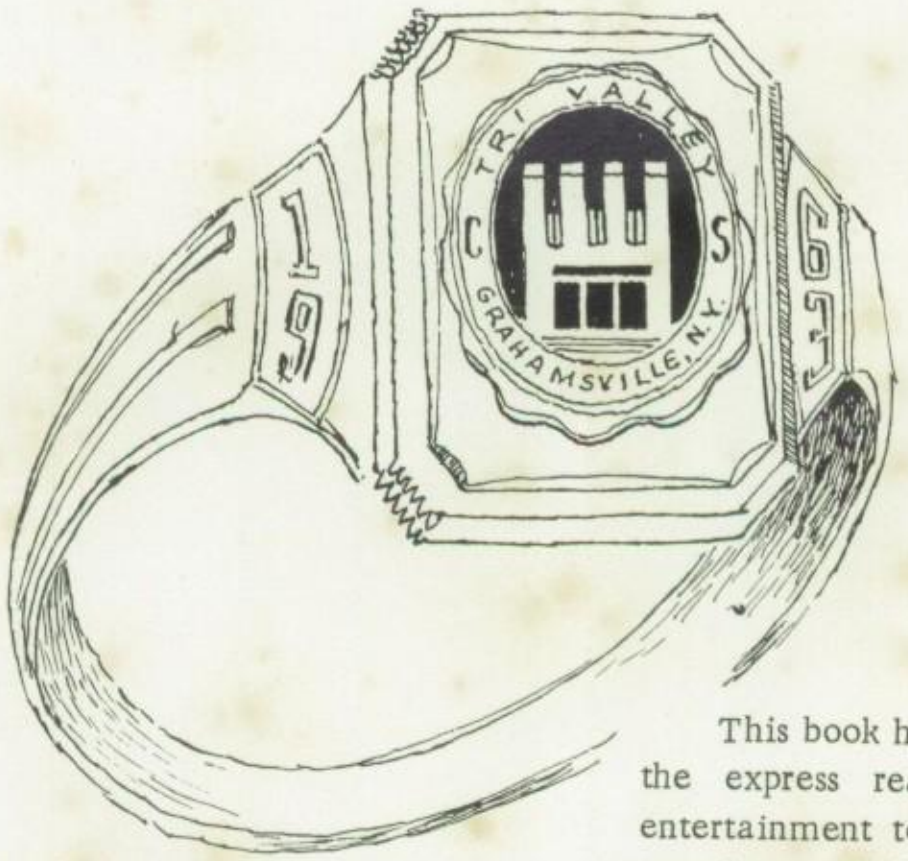
URSA MAGNA '63





This book has been written for the express reason of providing entertainment to you as well as to ourselves. With this purpose in mind we have focused our cameras on our school life. The Ursa Magna '63, which will be a storehouse of memories for us in years to come, represents the close of another chapter in the history of Tri-Valley Central.

We would like to take this opportunity to thank everyone who has helped us along the road into the future. May we extend all our best wishes to you as we now present . . .

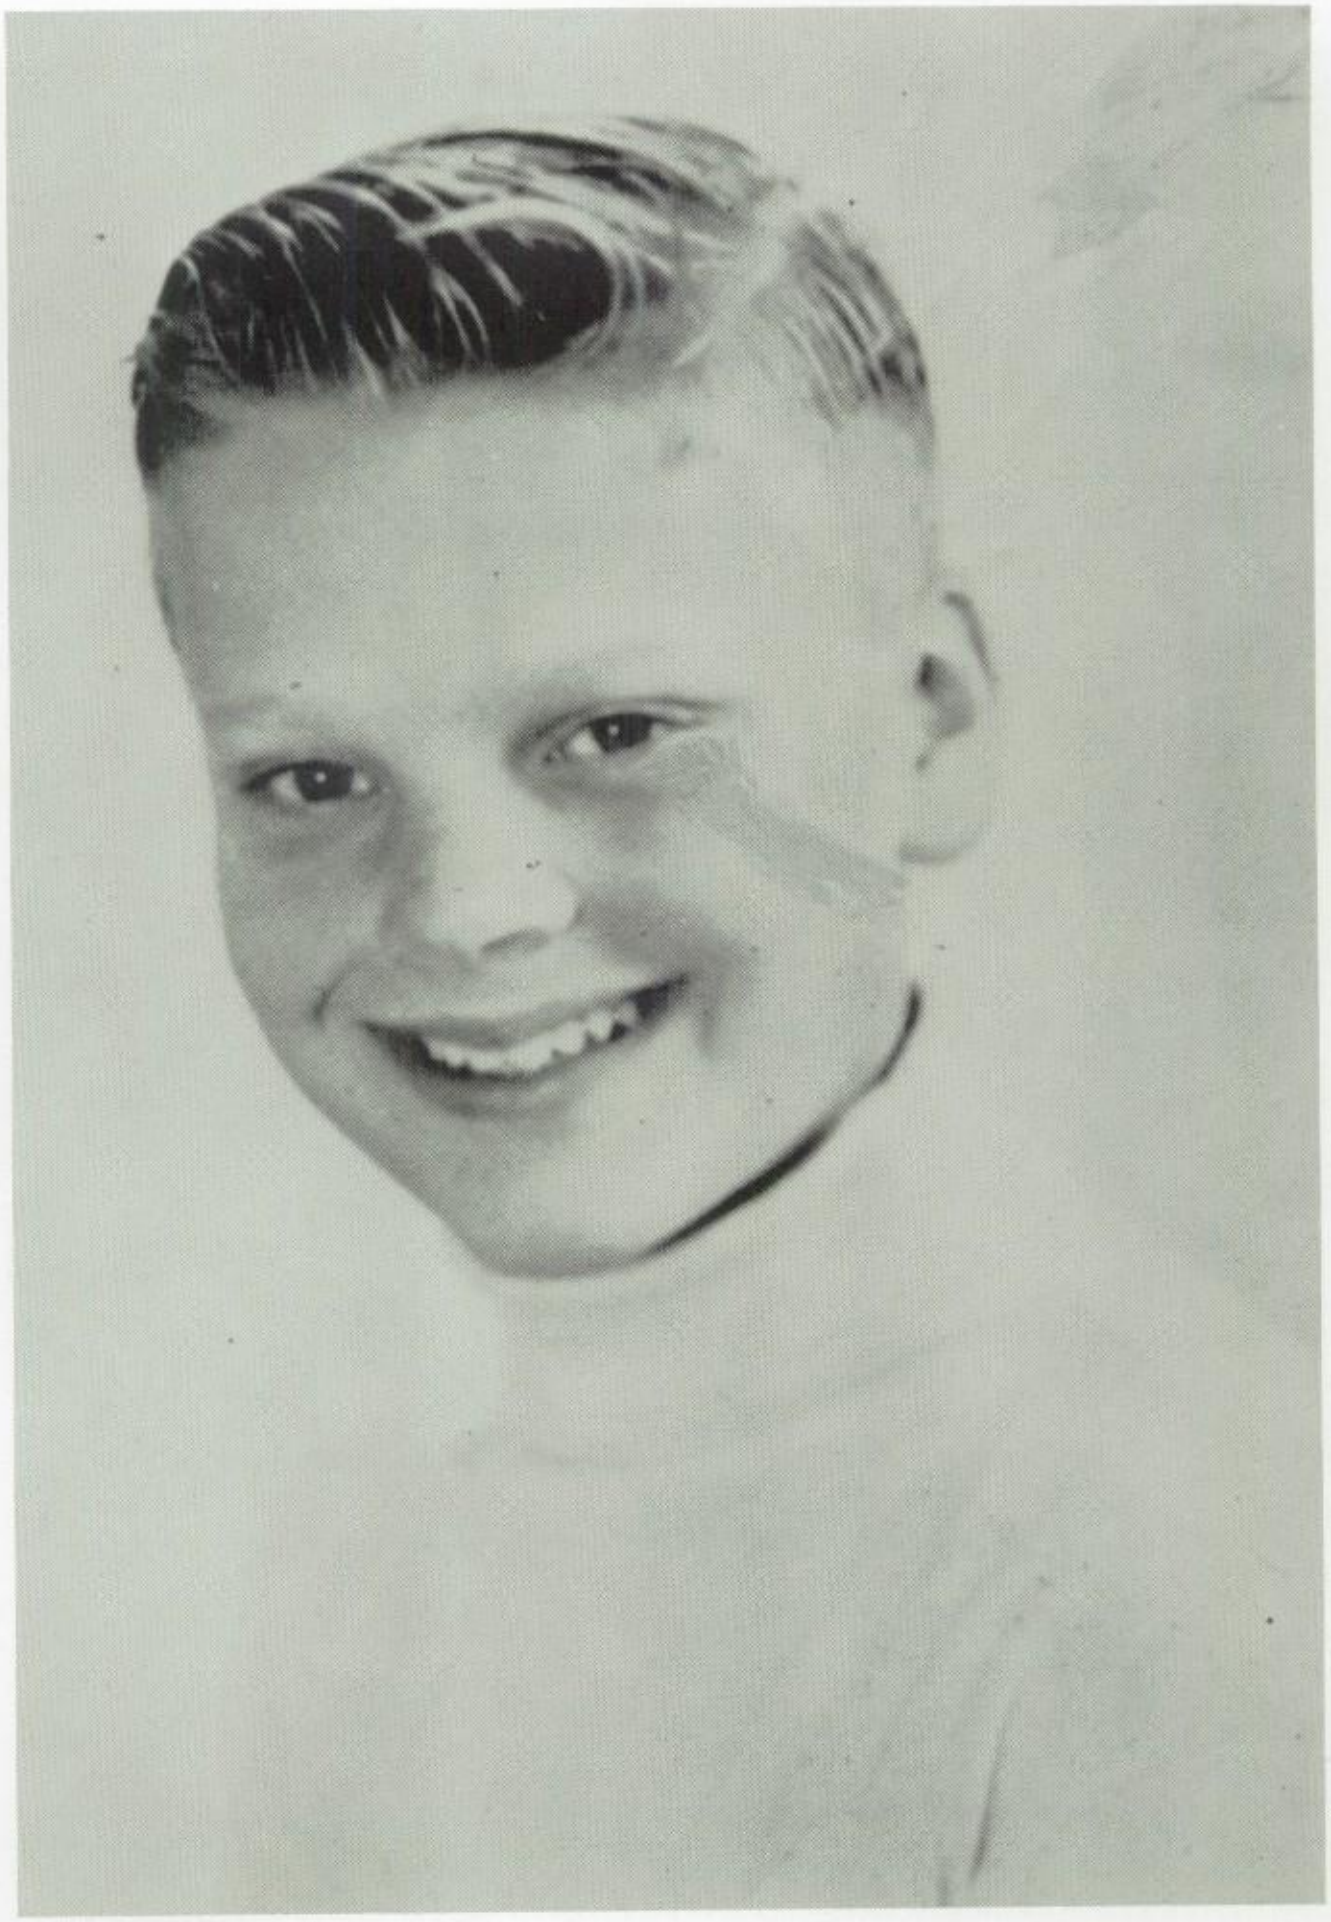
IN MEMORIAM



Dale Buswell

1945-1958

To the man who has worked for 13 years, always giving of himself for the good of the students and community . . . who had to bear the burden of advising and controlling our class . . . who has spent endless hours planning dances and banquets . . . who has remained devoted to our teams as their scorekeeper . . . we now wish to extend our thanks and appreciation as we proudly dedicate to you, Mr. Richard Strangeway, our 1963 Ursa Magna.

SUPERVISING PRINCIPAL

Dear Graduates:

It is our hope that the resultant of your years spent at Tri-Valley will be reflected in your lives as dedicated citizens in a dynamic democracy. We have labored to the end that you will have a share in the rewards and responsibilities of adult life in a free society. We have asked you to try to assess the burdens which lie ahead in the relative calm of the classroom. In the turmoil of everyday life we hope you will be able to rely on these experiences.

Tri-Valley is proud of the Class of 1963. We will remember you with fondness and continued esteem.

May your days be filled with success and satisfaction.

Cordially,

Edward T. Condon

"The record of the 1962 football team was no indication of the success of the season. After several seasons as the last place team, the 1962 squad took one step up the ladder toward the championship. After a grueling defeat at the hands of Roscoe in the first game, our young and spirited team took on new life for the remainder of the season. At the next four games the team showed a good scoring punch but they were unable to build enough defense to win. In the last game, played in mud and rain, there was a combination of good offense and defense. A 36-7 score against Jeff ended the season with a winning note.

"The team loses only two members by graduation which leaves for next year potentially our strongest team ever at Tri-Valley."

BASKETBALL

1962-63

After a dismal season in 1961-62, the Tri-Valley Bears came back strong enough in the '62-'63 season to grab 2nd place in the Western Sullivan League. This led to the Section Nine Playoffs in which the Bears were defeated by Chester at O.C.C.C.

A grand salute goes to the entire varsity team for their successful season, having won 9 and lost 3 in league play and a 9 and 6 record for the season.

Jim Boyes, the only Senior, led the team as captain and leading scorer averaging 19.1 points per game. He will leave some big shoes to be filled next year. The returning men for next year will keep all hopes high. Scrappy Ray Goode with a 10 point average, Bert Kennedy, Dick Dickerman, all Juniors, and Big George Nash, a Sophomore, will give a solid foundation to next year's starting five. Mike Curley, a stalwart sixth man, Charlie Grey, Duane Gentes, Joel Rubenzahl and Bradley Houghtaling will give battle for the first five.

The Jayvees, led by Eric Bernstein, Steve Johnson and company had a successful season compiling a 7-5 league record for second place in the league. Sophomores Doug Coddington and Rich Robinson and Freshman Dick Bidlack and Gary Parrow show great promise for the future of Basketball at Tri-Valley.

VARSITY BASEBALL

1962

The picture above shows our 1961-62 baseball team. The hard work and long hours of practicing have earned this team a place of recognition. As the Ursa Magna goes to press, we have highest expectations for a very successful season.

SYNOPSIS

ACT I — Evening. The check-in counter of a Chicago airport.

ACT II — That night. The interior of a large airliner.

ACT III — The next morning. The control tower at Los Angeles Airport.

The Senior Class would like to extend sincere appreciation to the director of our play, Mrs. P. Hill; to assistant director, Mrs. C. Blankenship; and to Mr. M. Wakefield and all of his art classes for the fine work they did on the scenery. Thanks, also, to all others who contributed to the success of our play.

Someday, when we are old and gray, we will relax and remember these days at Tri-Valley.
